- Updated language changed from "The Contractor shall not configure services utilizing state-funded (or leased) infrastructure or resources to provide Contractor branded Wi-Fi hotspots for a fee/subscription to the general public. Use of any publicly funded power, facilities, or infrastructure in State leased or owned buildings to provide Contractor fee based Wi-Fi services is considered a gift of public funds." to "The Contractor shall not configure services utilizing state-funded (or leased) infrastructure or resources to provide Contractor branded Wi-Fi hotspots which require a fee or subscription for the general public to access. Any publicly accessible Wi-Fi hotspots provided by the Contractor must be offered at no cost to any member of the public connecting to, accessing, and/or using such hotspots."

- Removed the following language "The Contractor shall not provide Contractor branded Wi-Fi hotspot services for non-CALNET users by

piggybacking onto CALNET Customer primary installations or by any other means that utilize publicly funded assets. This restriction includes but is not limited to installation of secondary equipment, circuits, or data channels both land based and wireless."
