

Summary of Changes to the State Administrative Manual (SAM)
March 2011

| SAM Section | Action Type | Changes |
|-------------------------|--------------------|---|
| SAM Table of Contents | Update | Updated to reflect organization name change from the Office of the State Chief Information Officer (OCIO) to the California Technology Agency (Technology Agency). Also updated to reflect the organization name change from the Office of Information Security and Privacy Protection to the Office of Information Security. |
| SAM Section 30 | Update | Updated to reflect organization name change from the OCIO to the Technology Agency. |
| SAM Section 4800 et seq | Update | Updated to reflect organization name change from the OCIO to the Technology Agency. |
| SAM Section 5300 et seq | Update | Updated to reflect organization name change from the OCIO to the Technology Agency and from the Office of Information Security and Privacy Protection to the Office of Information Security. |
| SAM Section 4819.31 | Update | SAM 4819.31 – added instructions for submitting Formal IT Solicitations to the Technology Agency as item #9. Subsequent items in this section have been renumbered. |
| SAM Section 4819.41 | Update | Renamed SAM Section 4819.41 as Procurement Review and Certification. Added instructions for submitting Formal IT Solicitations to the Technology Agency as item #1, renumbered previous item #1 as item #2, and added information on Certification for Service Contracts as item #3. |
