

Summary of Changes to the State Administrative Manual (SAM)
January 2012

SAM Section	Action Type	Changes
SAM Section 4819.31	Change	Eliminated the reference to the IT Procurement Plan.
SAM Section 4819.35	Change	Added information about submitting procurement strategy information to the Department of General Services (DGS) for reportable, delegated or non-reportable projects that contain a procurement which exceeds the agency's DGS-delegated purchasing authority.
